A part for Wood Block and Tambourine is printed on page 11.

A part for Handbells/Handchimes is printed on page 12.

When used as a palm processional, these two sections can be easily repeated to extend the length of the song: measures 5-16 and measures 17-28. Once everyone is in their place at the end of the processional, continue to measure 29 and sing to the end.
