

SUGGESTIONS FOR USE

Options:

1. Handbells alone.
2. Handbells and organ.
3. Handbells, organ and timpani.
4. Handbells and brass/timpani.

In addition, other instruments may be used with handbells and organ:

1. Oboes 1 and 2 and/or violins 1 and 2 (playing the trumpet parts).
2. Cello, bass and/or bassoon (playing the tuba part).

In addition, the entire arrangement may be played with *notes inégales* (literally, "unequal notes"). In this style the first of a pair of consecutive notes with a short duration (in the case of this piece the eighth notes) is lengthened and the second note shortened, producing a rhythmic figure somewhere between a triplet (♩ ♪) and the dotted eighth-sixteenth (♩. ♪).
