\[ \text{p with rubato} \]

Solo:

Like a bird who has fallen,

I rest in your hands,
hop- ing and pray- ing____ you will un- der-stand,

and fill in the piec- es

nev- er ful- ly there,

heal- ing my soul, Lord,
with your love and care.

Can you make up the dif’rence?

Will you teach me to fly?

Can you lift me to freedom in the boundless sky?
