

Choristers Guild

Together in Song and Spirit

Membership in Choristers Guild makes you a vital part of a community passionate about choral music! Choristers Guild is a 501(c)(3) nonprofit dedicated to nurturing the musical and spiritual growth of children, youth, and adults. Founded in 1949, Choristers Guild supports cooperative music making in houses of worship, schools, and communities. In doing so, people of all ages come to experience the lifelong benefits of communal singing.

A Choristers Guild membership supports you as a choir leader, and in turn, your involvement supports Choristers Guild and its mission. Memberships make possible:

Education

We provide instruction and mentorship to choir directors each summer at the week-long Choristers Guild Institute, a certification program offering Continuing Professional Education credit hours. Other resources include books, weekly emails, webinars, Virtual Learning Resource Paks, and our bimonthly magazine, *The Chorister*.

Music

We partner with composers and arrangers to publish new music, bringing fresh inspiration to singers, ringers, musicians and choir directors from all walks of life. This music is brought to life by choirs in worship services, school performances, concerts, and festivals.

Community

One choir director answering questions from peers, that's how Choristers Guild got its start. As a membership association, we bring people together in person and online. Local chapters, reading sessions, workshops and more are opportunities for connection and growth.

Take a look at these benefits! Don't miss this opportunity to grow your skills and program outreach. **Commit to membership today!**
