## Together in Song and Spirit

Join **Choristers Guild** and become part of a community passionate about choral music! Choristers Guild is a 501(c)(3) nonprofit dedicated to nurturing the musical and spiritual growth of children, youth, and adults. Founded in 1949, Choristers Guild helps grow cooperative music making in houses of worship, schools, and communities. In doing so, people of all ages come to experience the lifelong benefits of communal singing.

A Choristers Guild membership supports you as a choir leader, and in turn, your involvement supports Choristers Guild and its mission. Memberships make possible:

### Music

We partner with composers and arrangers to publish new music, bringing fresh inspiration to singers, ringers, musicians and choir directors from all walks of life. This music is brought to life by choirs in worship services, school performances, concerts, and festivals.

### Education

We provide instruction and mentorship to choir directors each summer at the week-long Choristers Guild Institute, a certification program offering Continuing Professional Education credit hours. Other educational resources include books, weekly emails, podcasts, webinars and a bimonthly magazine, *The Chorister*.

### Community

One choir director answering questions from peers, that's how Choristers Guild got its start. As a membership association, we bring people together in person and online. Local chapters, reading sessions, workshops and more are opportunities for connection and growth.

**Take a look at these benefits....**each membership includes these benefits at a minimum value of over \$300 for our Classic, and over \$350 plus for our Premium membership! Don't miss this opportunity to grow your skills and your programs outreach. **Join today!**
